- ★ Close to Town
- ★ Eco Passive Solar Design
- ★ Solar Power
- ★ WiFi
- ★ Water Self Sufficient
- ★ Well Equipped Kitchen
- ★ Luxury Interiors

## Getting to The Ridge Eco-Cabin is an Easy Adventure!

For GPS users, the street address is 135 Thunderbolts Way, Gloucester, NSW 2422.

Once you have reached Gloucester, you will find a roundabout at the northern end of the main street (Church St). This then becomes Thunderbolt's Way or Park Street on some GPS devices.

At the roundabout veer slightly left onto Thunderbolts Way (or Park St) toward Barrington, going past a service station, over a small bridge and then past the Bowling Club on the left. Follow this road over the Gloucester River bridge, and you will still be in the 60km zone.

On the right hand side is Barrington Outdoor Adventure Centre, 1.3kms from the roundabout.

The entrance to The Ridge Eco-Cabin is on the left, opposite the Barrington Outdoor Adventure Centre. There is a large white sign "The Ridge - Luxury Eco-Holiday Accommodation" and the street Nos. 135 and 137 (see photo on right).

Enter this driveway and follow the road past the shed and over the grid for a little over  $\frac{1}{2}$  km. Then follow the sign to "The Ridge" by veering to the left at the fork and onto the gravel road.

After you go past the small dam (on the right) and wind your way up the hill you will see another fork in the road, marked by an upturned concrete pipe (see photo on right). The access road to the Eco-Cabin veers off steeply to the left and down to a gully crossing.

Take left turn at upturned concrete pipe

Follow this road across the gully and up the other side (see photo on left) then wind your way up along the meandering gravel road to your "Secret Place to Slow down".

***This road is steep and windy so please drive slowly and carefully and look out for the two speed bumps; also be extra careful when driving back down.***

You will need to open the farm gate to enter the fenced area around the Eco-Cabin, and please make sure you close the gate after you, to keep the curious cattle out!

The key will be in the screen door and everything will be ready for your arrival. Please put it back there on your departure.

**You hope you enjoy your up-close-to-nature experience at The Ridge Eco-Cabin, Gloucester.**

If you have any trouble, call us on 0412 237 823 and we can provide further instructions.
